SYNOPSIS :

Un chat se réveille dans un univers envahi par l'eau où toute vie humaine semble avoir disparu. Il trouve refuge sur un bateau avec un groupe d'autres animaux. Mais s'entendre avec eux s'avère un défi encore plus grand que de surmonter sa peur de l'eau ! Tous devront désormais apprendre à surmonter leurs différences et à s'adapter au nouveau monde qui s'impose à eux.

The world seems to be coming to an end, teeming with the vestiges of a human presence. Cat is a solitary animal, but as its home is devastated by a great flood, he finds refuge on a boat populated by various species, and will have to team up with them despite their differences. In the lonesome boat sailing through mystical overflowed landscapes, they navigate the challenges and dangers of adapting to this new world.
